

OTT STREAMING APP

No More Clunky Set Top Boxes!!

Get our BruceTel/Celect Communications Streaming App and stream your TV service right on your Amazon Fire Stick or other supported device! It's perfect for any wall-mounted TV. All you need is a high-speed internet connection and a supported device. Service can start immediately! You'll still have access to lots of great features including: An on-screen TV guide, VOD, DVR, and Premium Channels. You'll love how easy it is to use with access to your tv and all of your favorite streaming apps on the same device. No more switching inputs to go between them. Questions? Give us a call today!
